HUMPHREY FELLOWSHIP PROGRAM 2023 – 2024
A FULBRIGHT PROGRAM FOR MID-CAREER PROFESSIONALS

The United States Embassy in Mauritania is pleased to announce that the annual application period for the Hubert H. Humphrey Fellowship Program 2023-2024 is now open. This one-year fellowship program, comprised of NON-DEGREE academic and professional work, is designed for young and mid-career professionals who have a proven record of leadership and a commitment to public service. The program is not designed to deliver an advanced degree.

During their fellowship, Humphrey Fellows participate in non-degree study at approximately 13 host campuses across the United States and complete at least six weeks of a professional affiliation at a U.S.-based governmental, non-governmental, private sector, or international organization. Through their academic and professional experiences, they gain knowledge about the United States, deepen their professional expertise and experience in their field, and expand their networks to include U.S. and international counterparts.

Initiated in 1978, the Humphrey Fellowship Program honors the memory and accomplishments of the late Senator and Vice President, Hubert H. Humphrey. Humphrey program is classified as a non-degree program by the Student and Exchange Visitor Information System (SEVIS).
